ELYSIAN TILE & STONE

CREATING PLACES OF PERFECT HAPPINESS

At Elysium Stone & Tile, we pride ourselves on understanding our customers' visions and bringing them to life with bespoke solutions. Our ability to source unique products and craft made-to-order pieces through our in-house fabrication department ensures every detail is tailored to perfection. This commitment to individuality and quality is at the heart of our latest porcelain tile collection, which draws inspiration from four timeless styles: the elegance of marble, the authenticity of natural stone, the urban charm of concrete, and the warmth of wood. Designed to transform spaces, this collection offers endless possibilities to create your perfect sanctuary.

LUXOR COLLECTION

The Luxor collection brings authentic warmth and contemporary versatility to architectural design, offering a seamless blend of timeless charm and modern style. Inspired by the richness of natural stone, Luxor features soft textures and subtle patterns that evoke a sense of comfort and elegance. Its carefully curated palette of earthy tones adds depth and character, creating an inviting ambiance for both indoor and outdoor spaces.

BORDEAUX COLLECTION

The Bordeaux collection redefines the timeless beauty of stone with a contemporary flair, transforming architectural spaces into showcases of elegance. Drawing inspiration from French limestone, it features the captivating Borgogna Bianco and Perigueux Grigio. Borgogna seamlessly blends tradition with modernity, showcasing natural, non-rectified edges that echo the charm of historical craftsmanship.

Ristico - Sabbia

RUSTICO COLLECTION

The Rustico collection draws inspiration from the raw beauty of nature, delivering a design that feels both authentic and timeless. Its defining feature is the distinctive wavy edge (available only in the 20mm), meticulously crafted to replicate the organic irregularities of natural stone. This subtle detail adds depth and character, enhancing its realistic appearance and tactile appeal.

COSMIC COLLECTION

The delicate veins, like memories carefully carved into stone, exude a simple yet profound beauty and a timeless elegance that transcends trends. Each line and curve seems to tell a story, capturing the essence of purity and the enduring strength of this eternal material. These subtle details remind us of nature's artistry, offering a sense of calm and sophistication that enriches any space they grace, ensuring their charm lasts for generations.

MOON COLLECTION

Moon, the porcelain stoneware collection with a concrete effect, embodies the elegance of urban design with its soft graphics and subtle movement, inspired by the texture and character of cementitious materials. The refined palette spans contemporary tones, from light, delicate hues to deeper, more distinctive shades, creating versatile options for modern spaces.

With a wide range of formats and three surface finishes, Moon offers complete design flexibility, making it ideal for both indoor and outdoor environments that captivate the eye and ignite the imagination. For outdoor applications, Moon is available in tiles with a 2 cm thickness, ensuring durability and style in every setting.

Neo - Beige

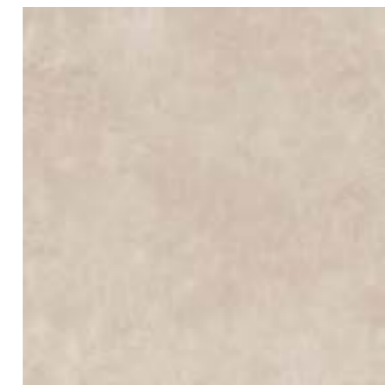

NEO COLLECTION

Neo is a tactile collection that captures the essence of ceramics, reimagining its primitive charm for spaces of comfort and refined elegance. With a texture as smooth as silk, it celebrates natural beauty in its purest form, evoking informal atmospheres where imperfections become unique, precious details. Its soft-to-the-touch surface echoes the artistry of resin-treated materials, elevating the raw earth aesthetic into the sophistication of porcelain stoneware.

Neo seamlessly enhances both private and commercial spaces, lending an air of understated luxury to interiors and exteriors alike. Designed with versatility in mind, the in & out concept caters perfectly to the demands of contemporary architecture, inspiring endless creative possibilities for modern design.

CEMENTO COLLECTION

This range redefines the identity and aesthetic appeal of concrete with a modern, minimalist approach that is both refined and tactile. The collection's six elegant textures present a versatile range of shades, thoughtfully designed to complement one another and adapt effortlessly to any environment. This contemporary interpretation delivers a perfect balance of style and functionality for a wide range of spaces.

ELEMENT COLLECTION

The ancient forest breathes through the wind. Majestic trees stand as silent guardians of ancestral stories from the Italian woodlands, inspiring Element, a porcelain stoneware collection that embodies the authentic charm of oak wood. This collection meticulously mirrors the craftsmanship of artisans who have worked with this resilient and captivating material, celebrating its rich character and fascinating imperfections.

The faithful reproduction of veins, cracks, and knots accentuates the remarkable aesthetic value of the product. Sharp and profound details give these ceramic planks a truly unique and genuine appearance, perfect for adding warmth and elegance to residential spaces. With 4 colour options, three formats (including the new 20x180 cm), and a 3D Flute decoration available in four colours, Element transforms living spaces into havens of tranquillity and sophistication.

TRANQUILITY COLLECTION

Tranquility collection introduces a sophisticated addition to wood-effect porcelain stoneware, inspired by the timeless beauty of walnut. With four warm tones, various sizes, and a single soft-touch surface, Tranquillity brings a natural, inviting charm to any space. Perfectly suited to both classic and modern interiors, this elegant flooring option combines warmth, harmony, and refinement. Tranquillity captures the essence of walnut, transforming living spaces into cozy, stylish retreats with its natural allure and effortless adaptability.
